Due to the technical nature of sublimation, we strive to closely match your requested imprint color and fine art details, but a 100% exact match cannot be guaranteed. The visibility and clarity of very small text or graphic elements may be affected by the product's textured surface and the standard limitations of the decoration process.

The first proof is provided at no charge. Additional proofs will incur a fee of \$20 each. If artwork requires touch-up, reconstruction, or any manipulation, artwork charges will apply at a rate of \$95, with a minimum of 0.5 hours. These charges will be confirmed prior to proceeding with the order.
